### **ORANGE COUNTY ECONOMIC DEVELOPMENT, CHAMBER OF COMMERCE, AND WORKFORCE CENTER TO HOST OUTDOOR JOB FAIR**

Orange County, VA – On Wednesday, September 16, 2020, from 10:00 a.m. – 12:00 p.m., the Orange County Economic Development Office along with the Orange County Chamber of Commerce, and the Orange Workforce Center will host an outdoor Job Fair. Job candidates are respectfully asked to wear a mask, wash or sanitize hands, and practice social distancing guidelines while in attendance.

Rose Deal, Project Manager for Orange County County Economic Development noted, “Our office is delighted to partner with the Chamber and Workforce Center to bring an outdoor job fair to the community. Many of our local businesses have expressed concern in not being able to find workers to fill vacancies, so our offices came together to offer a creative opportunity to connect businesses and potential workers, amongst the pandemic.”

The event will be held outdoors under the pavilion at Booster Park located at 11177 Bloomsbury Rd, Orange, VA 22960 and will feature eight (8) Orange County businesses. Marty Bywaters-Baldwin of the Orange Workforce Center noted, “The local businesses participating in the job fair have immediate, long-term openings in manufacturing, administration, retail, construction, and supply chain. This is a great opportunity for job-seekers considering a career switch or advancement.”

We encourage all participants to bring a current resume. Please contact Marty Bywaters-Baldwin, Director of Workforce Services for Virginia Career Works at (540) 847-9238 or [marty.baldwin@fredgoodwill.org](mailto:marty.baldwin@fredgoodwill.org) for more details and for resume writing assistance.

For more information regarding this event please contact Rose Deal at the Orange County Economic Development Office at (540) 672-1238 or [rdeal@orangecountyva.gov](mailto:rdeal@orangecountyva.gov).
